

RHODE ISLAND HOSPITAL CONTINUING MEDICAL EDUCATION
presents

Donald I. Abrams, MD

Chief, Hematology-Oncology, San Francisco General Hospital
Director of Clinical Programs, UCSF Osher Center for Integrative Medicine
Professor of Clinical Medicine, University of California San Francisco

“Clinical Indications of Medical Marijuana”

Thursday, May 15, 2008
6:00p to 9:00p

Brown Medical School, Life Sciences Building, Room 220
Enter building on Meeting Street between Thayer and Brown Streets

*****Complimentary dinner will be provided*****

Objectives: Upon completion of the conference, participants should be able to:

1. describe the endogenous cannabinoid transmitters and receptors in addition to cannabis-based exogenous cannabinoids, the basic pharmacokinetics of marijuana and the primary applications of marijuana in medicine.
2. critically analyze the methodology and emerging cannabinoid clinical and basic research studies.
3. review legal protections created by the Rhode Island Medical Marijuana Program.

• Rhode Island Hospital is accredited by the Rhode Island Medical Society to sponsor intrastate continuing medical education for physicians. Rhode Island Hospital designates this educational activity for a maximum of 2.5 *AMA PRA Category 1 Credit(s)*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

• This activity is supported in part by an educational grant from the RI Patient Advocacy Coalition.

*****There is no charge for this activity, however, registration is required *****
